New Basic Empty Weight and Balance Oct 13, 2021				1714.2	42.93	73585
Useful Load				843.8		
Maximum Ramp Weight				2558.0		
Maximum Takeoff Weight				2550.0		

Numerical values shown may be rounded from actual values. Therefore, the product of weight times arm may not equal the listed moment.
